

A romantic wedding photograph of a couple on a stone balcony. The bride is wearing a white sleeveless gown and a long veil, and the groom is in a black tuxedo with a bow tie. They are embracing, with the groom kissing the bride's cheek. In the background, a city with a prominent church spire is visible under a warm, golden light.

hey there

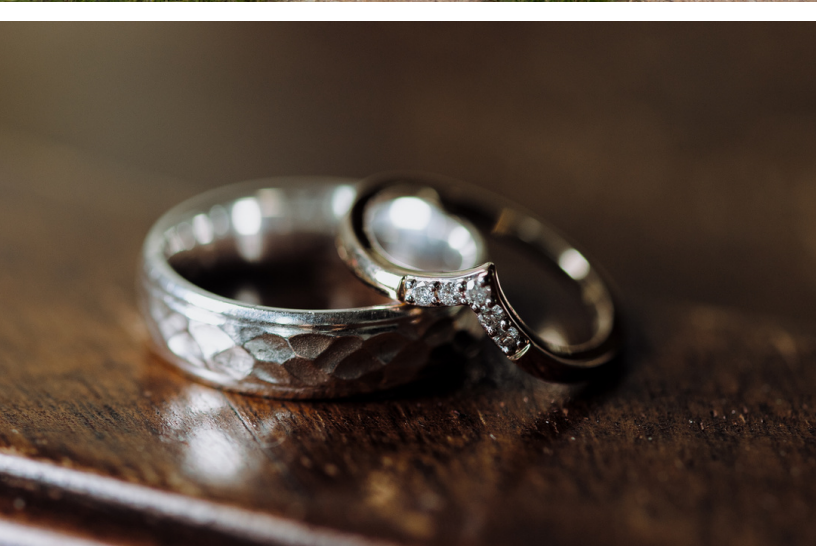

I photograph people in love. It is actually that simple. In my photography, I skillfully combine my personal shooting style, accurate timing and an emotional component.

As your photographer, my hope is that we come out of our experience together as new friends. I aim to tell your story by documenting those grand moments, along with the more quiet and intimate pieces of your life. I want to capture you as your true self — all the epic stories, laughs, and special memories that you will fondly look back upon.

I shoot many of my weddings solo. I'm very comfortable and confident in my ability to capture most typical wedding days on my own. My goal as your intimate wedding and elopement photographer is to focus on capturing your story while making sure that your day reflects the authenticity of you as a couple. Whether you want a second photographer is entirely up to you.

I am fully here for you. Please don't hesitate to contact me, I would love to hear from you!
